ONE ST. CATHARINES PROPERTY

A Winter of Documented Snow & Ice Service

An anonymized summary of recorded parking-lot and pedestrian winter maintenance at one property.

2025-26 SEASON | NOVEMBER 9, 2025 - MARCH 17, 2026

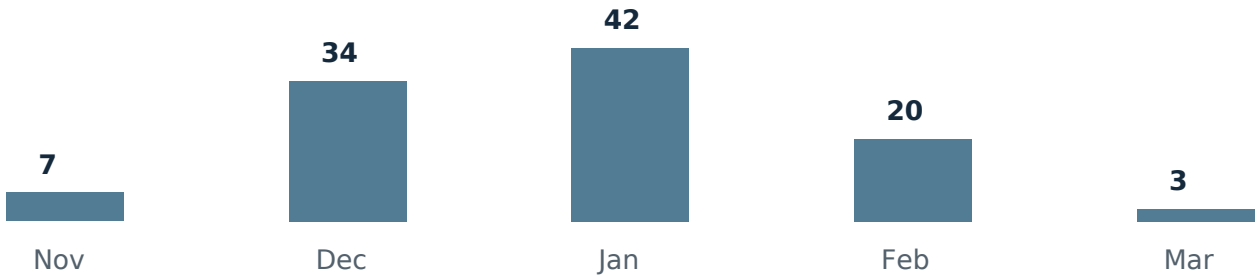

53
recorded service dates

106
recorded task entries

RECORDED ACTIVITY

Walkway & stair handwork	**39**
Lot deicing	**33**
Lot plowing	**33**
Salt-bin tasks	**1**

MONTHLY TASK ENTRIES

Counts are tasks, not separate visits. Several tasks or crew entries can occur on the same date or during one visit. Salt-bin tasks are included in the total.

SOURCE & SCOPE

Source: OSIM internal job-history export for this property. Counts represent recorded tasks; multiple tasks may occur during one visit.

Documented throughout the season: recorded activity across 53 dates covers parking-lot plowing, deicing, pedestrian maintenance and salt-bin tasks. Identifying details have been removed for privacy.
